

Shepherd Community Center

Christmas Gift Drive 2009

The holiday season is a special time at Shepherd Community Center. We come together as a family to serve families. This year, we will once again be hosting our Annual Christmas Gift Drive.

The Christmas Gift Drive will begin on Thanksgiving weekend and continue through December 16, during which time Shepherd will be collecting toys, gift items, clothing, and monetary donations to benefit Shepherd Community children and their families.

On December 21 and 22, neighborhood parents will choose presents for their children in Shepherd's Christmas Gift Shop. The Shop will cram full of interesting gifts for children of all ages, for everyone from infants to college students. Ideally, each child will receive a large and a small toy or gift, underwear, socks, a hat, scarf, and a pair of gloves.

Last Christmas we were able to provide items for 800 children directly, and gave away hundreds more gifts through our ministry partners and satellite sites.
